

North Coast Parents Membership Form

Welcome! We are the North Coast Parents (NCP). NCP's purpose is to serve as a support group for parents of young children and to offer meetings in a safe, nurturing, and tobacco-free environment providing socialization for young children. We are an all-volunteer, not-for-profit organization. All dues, donations and grants go directly to activities, classes and newsletter publication. As a member you can take part in all of the activities we offer including visits to the Discovery Museum and gymnastics. Each family is expected to participate in our annual fund-raising event, which allows the club to provide low cost membership and activities. If you choose not to participate, there will be an additional \$25 fee plus the annual membership dues of \$35 (\$60 total).

Your family name, address and children's (first name, last name, and birth date) information will be included in the membership roster, which is distributed only among NCP members. None of the additional information is required, however if you chose to share some of your family news and interests, your family may be featured in one of the upcoming newsletters so that other members can get better acquainted with you and your family.
